

Manned Guarding Services

Sentry Security is established as a market leader in the provision of Guarding Services. Located centrally, we provide specialist security services to both the private and public sectors.

Nowhere does Sentry Security promote quality more so than with our security officers as these are the people who will be working directly with our clients and therefore their performance is of vital importance to our success.

To ensure that we deliver a quality service to our present and future clients, all our security officers are carefully recruited, thoroughly vetted and fully trained to ensure that we provide the highest possible standard of Security Officer. Our goal is to attract, recruit and nurture highly capable people as part of our Security Team.

To ensure that we deliver a first class service, we adhere to a rigorous selection, screening and training process. Firstly all potential employees undergo an intensive selection process with each candidate completing a detailed and searching application form which has been specially designed by our human resources department. Screening is then carried out

through the standards laid out in accordance to I.S. 999: 2004 which establishes the suitability and reliability of each candidate over a ten-year period and beyond. Written references from previous employers are mandatory in this process.

All employees are also fully checked for criminal convictions to ensure they are suitable candidates to operate within the security industry. All screening and training are carried out in accordance to I.S. 999: 2004 Standards and licensed by the Private Security Authority (License no. 00341). We fully comply to these stringent standards.

The Guarding Services, which we provide, stretch far and beyond what most companies offer. Our value added services include 24hour Reception, Customer Care Officers, Gate House Security, Car Parking and CCTV Monitoring and a Complete Security Consultancy Service which is vital in Security Conscious World.

If you feel you require Security Officers to protect your premises and its assets, Sentry Security can satisfy all your security requirements.
